SEXY & SILKY

Sure, she likes punk rock and weird hairdos — but when it comes to sex, she goes for the basics: soft, silken sheets and a guy with a hard cock ready to fuck the shit out of her!

**She knows
how to get a
guy hard. A
few hand-
strokes, a
little licking
with that
wicked
tongue of
hers and his
flesh is stiff
and throbbing
and ready!**

Of course she
doesn't mind
If the guy
wants to lick
her pussy —
and most guys
do. They find
it sweet and
succulent and
very, very
tasty!

**But it's when
he sticks that
big thing up
her pussy and
pumps like
crazy that she
gets her kicks.
"Go, man, go!"
she shrieks —
and he goes!**

It isn't the money

Ginger Lynn isn't in the x-rated film business for the money. She genuinely loves her work. It's easy to see why she's a success in it. Look at that angelic face, those perky tits, those curvy legs, that terrific ass, that juicy pussy!

**She should be an expert on sucking and fucking;
she's had lots of experience. She expects to get a
lot more!**

Of course, with a stud like Marc Wallace to lick and screw, what girl wouldn't be enthusiastic. From the looks of that jism, Marc is pretty well satisfied, too!

BODY BEAUTIFUL

A woman with curly brown hair, wearing a light purple thong, is posing in a room. She is standing with her back to the camera, looking over her shoulder with her mouth open. Her arms are raised, with her hands behind her head. In the background, there are shelves with various decorative items, including a vase and some figurines. The overall lighting is soft and indoor.

In case you haven't noticed, here's a girl who has a beautiful body. But it isn't going on a pedestal for guys to admire. She knows how to use it!

See what we mean?

**That Marc Wallace sure does get around.
His tongue and his cock are among
the busiest in the
x-rated film
business —
and with
good reason!**

**Here are two
bodies
beautiful –
doing what
comes
naturally!**

When Marc sticks his hot poker up a girl's pussy, her crotch gets steamy with passion!

**Here's one Golden Girl who wouldn't trade Marc's
pussy-pleasing prick for anything. Fucking is what
a body beautiful was meant for!**

FLYING HIGH

A photograph of a blonde woman with long, wavy hair, wearing a black strapless dress, kneeling on a red carpet. She is performing oral sex on a man whose legs and torso are visible. The man is wearing grey jeans and a light blue shirt. The woman has her mouth open and is looking up at the man. In the background, there is a blue wall and a brown ceramic vase on a wooden surface.

Stacy
Donovan —
another
name
that
makes
cocks
harden
with desire.
She knows
how to
satisfy that
desire, too
— as she
proves
here!

Stacy doesn't need artificial stimulants. She's flying high when a sturdy cock like this one reams out her pussy in a fully-satisfying fuck!

**From any
position,
Stacy looks
good enough
to fuck, and
she's tried
them all!**

**She pumps her
luscious young
body down
over his
rampaging
cock.
Something's
got to give!**

And there he goes, jerking and pumping and squirting his load of cream! That Stacy's one hell of a fuck!
